

Short Interviews With E. C. J. C. Students

This page will be devoted during the rest of the session to "Interviews with Students," a different group to appear each issue. The groups are as follows: Newton County, Neshoba County, Scott County, Leake County, Winston County, high school seniors, high school Juniors, Outlaws (those from outside the district), and the faculty. The name of a group will be drawn from the hat just before time for each issue to go to press. Since the name Outlaws was drawn from the hat for this issue, we are herewith presenting - -

THE OUTLAWS - - the Warriors who came from far across the bog to enter our Institution of Higher Learning! We welcome them, a fine passel of students. So step up folks; Warriors meet the folks. Folks these are the Outlaws. Say! how! - Pleased to meet'chall! Us'en is glad to know you all. Do you know Susie Don't wash that lives up tha'r in your neck of the woods and etc. You'll get aquainted.
